THAI DELIGHTS

NOVOTEL CITYGATE HONG KONG PROUDLY PRESENTS:

THAI DELIGHTS BUFFET AT ANDANTE

THAI DELIGHTS BUFFET AT ANDANTE

The Thai dining culture is a hallmark of the country with influence from the royal Thai family and the local people which helped to establish the heart of Siamese cuisine as we know today: various types of seafood and meat combined with local vegetables, spices and herbs.

A typical Thai menu must include four main seasonings: salty, sweet, sour and spicy. The meal is not complete without the four tastes combined. By the popular demand, Andante is now introducing the Thai Delights mini buffet on every Tuesday and Friday lunch for an authentic taste of Thailand.

Highlight of dishes on offer include;

Red Curry Duck

Stir-fry lemon grass, onion, ginger and garlic mix to make a curry paste and then pour in coconut milk to create the sauce. Cook for about 5 minutes and then add the duck into the sauce pan with fresh Thai basil, serve with a cold crisp beer.

Pad Thai

This famous noodle dish has stir-fried eggs and onion and flavored with fish sauce and Thai chili paste, with a final touch of crushed peanuts on top. This local dish had once ranked 5th on World's 50 most delicious food on CNN.

Other rotate highlight dishes include:

- Braised Red Beef Curry /
- Stir-fried Beef with Thai Kale /
- Stir-fried Chicken with Ginger and Basil /
- Thai Fish Cake with Sweet Chili Sauce /
